

## WELCOME TO YOUR NOVEMBER EDITION OF TUTOR TALK

### ONE GOOD IDEA!

A big **THANK YOU** to all the tutors who attended the “One Good Idea” sessions. Approximately one third of our tutors came out to enjoy an evening of sharing pizza, tutoring ideas, and camaraderie among those of us within the Sussex County Program. Look for another, similar round of meetings in the spring.

**KUDOS** to Chris for chairing the meetings and providing the pizza and sodas.

### SPARTA LIBRARY GRANT CLASSES

The Sparta Library Grant classes are happening now! Please try to get your student involved in one or more of these classes:

General Conversation: Mondays 5:30-8:00PM. The current session runs through January 22nd. The second session will begin on February 5th—same time and evening.

Drop-In Computer Lab: Thursdays 11:30AM—1:30PM. Any type of computer help is available at this time.

ESL for College and Careers: Advanced ESL students will learn the English needed to move on in their education and/or careers. Lessons will include units on job applications and interviewing, volunteering, writing, small talk, and other skills which will promote confidence and success at work or school. Contact Mary at the office, 973-300-9444, for more information.

Tutors are welcome but not required to join their student. Students do not have to commit to attending every class. The more instruction your student gets, the faster you and they will see improvement.

**HELP NEEDED**

**Liaison to Council of Service Agencies**

Are you interested in hearing about all the social service organizations in the county? We need someone to be the liaison for our program at the Council of Service Agencies meetings. These one-hour meetings are held once a month on the second Wednesday at 12PM at Project Self Sufficiency in Newton. Please contact Carol Wilson at [cwilson@litteracynj.org](mailto:cwilson@litteracynj.org) for more information. We are a member of CSA and will have an article about LNJ in the Herald in December!

**Publicity**

We need help with publicity! Do you know businesses and organizations in your area that would hang a flyer to advertise for us? Would you be willing to talk to a business or organization that may have need of our services? Please contact Toni Baudoin at [baudoin@ptd.net](mailto:baudoin@ptd.net).

**Please Report Your Hours**

Reminder—please report your hours, even if they are zero for the month. It is very important that our Sussex County programs compile and report this information.
